

LMPC Registration FAQs – Equal Consultancy Services

1. What is LMPC Registration?

LMPC Registration is generally required for importers of pre-packaged commodities under applicable Legal Metrology provisions.

2. Who needs LMPC Registration?

Importers, brand owners, manufacturers importing packaged goods, and e-commerce businesses dealing with imported pre-packaged commodities.

3. Is LMPC Registration mandatory?

Yes, where applicable under the Legal Metrology framework for imported pre-packaged commodities.

4. Which products require LMPC Registration?

Electronics, toys, cosmetics, food products, home appliances, medical devices and other imported packaged goods, where applicable.

5. Which authority issues LMPC Registration?

The concerned Legal Metrology Authority.

6. What documents are required?

PAN, GST, IEC, incorporation certificate, address proof, ID proof, product details and label artwork, as applicable.

7. How long does the process take?

Processing time depends on document completeness and government authority timelines.

8. What label details are required?

Importer details, country of origin, MRP, net quantity, product name and other mandatory declarations.

9. Can Equal Consultancy Services help?

Yes. Documentation, filing, label review, amendments, renewals and compliance support.
